Re: Letter of Recommendation for Bruniquel & Associates (Pty) Ltd

This letter serves to inform you that I, Chernice Mackenzie (Group HR/IR Manager) for Group Five Pipe attended a Skills Development Facilitator course with Bruniquel & Associates in August 2014.

The learning outcomes included but were not limited to:

- Demonstrating an understanding of Skills Development
- The principals behind people management training
- Plan and preparation for facilitation

I take great pleasure in recommending Bruniquel & Associates for any training course they offer. I have worked closely with them and I am completely satisfied with their service delivery.

They have done an excellent job with the administration side of the business, leading up to the actual course, always keeping one updated to times, dates and venues.

I am very pleased with the end result of the course I attended and the professional way in which the course was conducted.

I recommend Bruniquel & Associates without reservation.

Should you require any additional information, please contact me.

Regards,

Chernice Mackenzie
